

Sept. 10-April 29

Morris Hall, Sundays 6:40pm-8:15pm

M-Power is a community of high school students looking to grow their faith, build friendships and serve others. If you have received the Sacrament of Confirmation and would like to continue to grow your faith this is the group for you. Activities are student driven. This means that we empower students to influence how they will continue their faith. Activities range from social to spiritual.
