

Welcome to the St. John Neumann community! We are blessed to be here to walk alongside you on this journey. Here are some details about the process:

When: The program starts in September and ends in May on the Feast of Pentecost.

- You can choose to attend either Tuesday evenings **OR** Sunday mornings.
- There are two Saturday **retreats**, and several **liturgies** that are integral to the program. Please mark the dates on your calendars and plan to attend.

What: The program consists of sessions that include prayer, discovery, and instruction. We want you to feel comfortable asking questions, and we want you to feel that you are part of our community. Each inquirer will be provided with a companion as your personal point of contact with our parish. You may ask this person to be your sponsor, or you may ask someone else in the parish. We will give you more information about this during the program.

To do:

- Fill out an information form, found online at <http://sinaustin.org/adults/rite-of-christian-initiation-of-adults/>
- Schedule a personal meeting with Laura Hughes
- Let us know if you will need babysitting
- Plan to join us each Tuesday OR Sunday
